<p>COGCC Inspection Report Summary                      On Wednesday 4-13-2022 at approximately 1400 hrs. I, Inspector Robbie Revas,                      Conducted an on-site inspection:                      Operator: KP Kauffman                      Location name: Conner 21-34                      API #05-123-11938                      County: Weld                      Weather: Cloudy, cold and windy.                      Location: Dry.                      While there, I observed a wellsite and tank battery, PR at the time of inspection.                      During this inspection, I observed the following possible compliance issues:                      430 Measurement of Gas: Card in meter box indicates that calibration is not current, CA                      date 5-13-2022.                      See attached photos.                      No follow up site inspection is needed to ensure that the addressed                      Compliance issues comply with COGCC rules.</p>	revasr	04/13/2022
