COGCC Inspection Report Summary On Friday 4/8/2022 at approximately 09:30 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the KPK McCarty #2 API #123-10514 in Weld County, Colorado. While there, I observed that the DCP gas sales meter calibration card was not posted. During this inspection the following possible compliance issues were observed: Rule 430.d. (2). with a corrective action date of 4/29/2022. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.	petersont	04/08/2022
