

# Inspection Photos

4/22/2022

Operator: CAERUS PICEANCE LLC # 10456

Location ID: 335822

Garfield County, CO

Aaron Trujillo

NW Reclamation Specialist

COGCC

Inspection Photos  
Operator Name: CAERUS PICEANCE LLC # 10456  
Location ID: 335822

**Photo 1:** Photo taken from the location, facing north. Photo provides overview of the northern interim areas of the Location and the perimeter stormwater ditch. Operator appears to have implemented hydromulch (yellow arrow) at slopes, however BMP has not been maintained in a proper functioning condition to minimize erosion, degradation, and to stabilize the slopes; erosion and degradation to the slopes have persisted (red arrow example).

## Inspection Photos

Operator Name: CAERUS PICEANCE LLC # 10456

Location ID: 335822

**Photo 7:** Photo taken from the stormwater diversion ditch along the north end of the Location. Photo shows Operator appears to have regraded to match the adjacent upslope areas. Photo shows that control measures to minimize erosion, degradation, and to stabilize the slopes of the ditch are missing or insufficient.
