**General Comment:**

This is an environmental inspection to document current site conditions at Spill ID 459299/Remediation Project 15829. Any corrective actions from previous inspections, Form 19 or Form 27 conditions of approval, and GRIP conditions of approval are still applicable.

Photos are attached to document current site conditions. No corrective actions have been submitted as part of this documentation; any corrective actions will be addressed under a separate inspection.
