Subject: Reportable Drill Mud Release on Bost Farms Drill Pad 5N66W7

Hi Nikki,

Yesterday evening PDC discovered a reportable drilling mud release on the Bost Farms drill pad 5N66W7. The release has been stopped and recovery efforts are under way. Ground water has not been impacted, surface owners and government notifications are under way. A form 19 will be submitted within 72 hours of release discovery.

Please let me know if you have questions.

Thanks,

Zack
