General Comment:

On 5/24/2022, Reclamation Specialist Trujillo, conducted a final reclamation inspection at XOG Operating's Wells 1 location in Mesa County, Colorado.

This inspection is in response for Form 4 #402822086 stating final reclamation is complete per Rule 1004.c

The following compliance issues were observed during this inspection:

-Noxious weeds

Refer to the "Reclamation" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment:

Though species observed on the Location (annual rye, alfalfa) is not reflective of the adjacent reference area, Doc. #402719697 indicated seed mixture was per the surface owner's specifications.

Crop establishment throughout the Location is uniform and meets 1004 requirements.

Noxious weeds, including jointed goatgrass, hoary cress and bindweed observed throughout the Location. Weed management required until location receives a passing final inspection in accordance with Rule 1004.e, and per Form 4 #402719697 Conditions of Approval ("COA").

Corrective Action:

Comply with Rule 1004.e and Form 4 COAs- Conduct weed management. Implement BMPs to prevent further spread and establishment of Undesirable and Noxious Plant species. Continue to monitor and manage weeds on the Location until site receives a passing final inspection.
