General Comment:

On 5/31/2022 Reclamation Specialist O'Malley conducted a final reclamation inspection of Encana Oil & Gas (USA) Inc's AL well API# 045-08092 in Garfield County, Colorado. Well status AL: 3/19/2004.

This well is on Location with seven (7) Producing Wells, therefore this is a Well Release on an Active Location.

Inspection #680101397 dated 12/29/2016 "Passed" Final Reclamation on this well, but did so under the Location ID, not the well API #, therefore COGCC records still indicate a reclamation inspection is required.

Refer to the photo-documentation attached to this report.
