Detailed description of the issue(s) * (?)

Please provide as much detail as possible. It is important to narrow down the issue(s).

It sounds like an airplane engine on my roof. It happens all hours of the day and night for months. It wakes us up at 5am on a weekend and 11:30pm on a week night. We can't enjoy a cocktail on our porch in the late afternoon either. Someone needs to come measure the decibels.

***The below method of uploading is outrageous! How are we supposed to upload videos of the sound coming from this rig if you don't accept videos?

Send an employee to my house so I can show you the videos I have. ***
