Husband passed away from car accident. I was in shock still am my father n my aunt hired Thier laywer,whom I fired after a month of no communication and decet. So the probate was at a stand still for few yrs at that time. Okreek oil n gas site me out and drew up serval different contracts and offers that were already signed by Thier agent and sent them in mail to me. They had been searching for me for about a yr. They said they get the probate straighted out and my on all my husband inheritance land oil n gas etc. Well I sold them some of the royalties because I was n still am in a hard spot financially. I never took time to pay attention to the papers . But they stated I was in the court room at time of hearing which that's not true . The agent never put anything in my name I don't believe and mineral and royalty deed is sighed and nortrized by the same guy Justin koenen he drew up the deed n contracts . I believe the court documents to be forged as well. Also I'm billy Douglass's wife and not his great daughter n law that's stated in the court papers . This has to be illegal and they also some how have my land . I really need help to get this straightened out. I was taken advantage of .
