Mr. Neslin:

Citation Oil & Gas Corp. plans to recomplate the above captioned well in the Marmaton Formation. This completion is an exception location to Rule 318.a which requires that the well be located not less than 600 feet from any lease line. The well is approximately 361 feet from the nearest lease line. Attached is a signed waiver from the offset mineral owner.

By authority of Rule 318.c Citation Oil & Gas Corp. requests that you grant this exception location.

Thank you for consideration of this issue.

Sincerely,

A handwritten signature in black ink that reads "Sharon Ward".
