Dave-

I apologize for the mix-up. On these two wells that we plugged I have redone the sundry plugging notices. Please discard the ones I had sent in previously.

On the cement tickets that you have, the ones dated April 24 and May 6th are the ones that should go with the Champlin 124 Amoco F1 well. On the ticket dated May 6th, Halliburton put the wrong well number down and that's where the confusion came in. The other ticket dated May 7th is for the Champlin 558 Amoco A 1 well.

If you have any questions please call me at 830-5323.
