<p>COGCC Inspection Report Summary On Wednesday 6/15/2022 at approximately 12:25 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the Magpie Operating Pulliam 1A location #307054 in Larimer County, Colorado. While there, I observed that SE guy line anchor was unmarked. During this inspection the following possible compliance issues were observed: Rule 603.j. with a corrective action date of 7/15/2022. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	06/15/2022
