**Photo 1:** Photos taken from the north end of the Location, facing southeast and southwest. Photos show Location has been constructed though well has not been drilled; work to maintain location and access road has not been conducted. All Form 2 and Federal “permits to drill” on file for the Location have expired, and the Location is subject to Final Reclamation requirements. Submission of additional permits does not waive compliance with 1004 requirements. Photo right also shows fill slopes.
