General Comment:

On 7/7/2022, Reclamation Specialist Trujillo inspected the Fee 163X location in Rio Blanco County, Colorado.

Chevron is currently the Operator on record for the well and Location, however, a Form 9 is currently "in process" transferring ownership of the Location from Chevron USA Inc, to Scout Energy Management LLC; inspection is being submitted to both "Chevron" and "Scout".

The following compliance issues were observed during this inspection:

-Wildlife Mortality

Refer to the "Reclamation" and "Stormwater" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.
