WELL

Flader #4

INVOICE NO. 95-139

Plugged and abandoned well.	\$1000.00
Additional charges for running tubing back in and pumping extra cement to cover perfs.	<u>1500.00</u>
	\$2500.00

DATE	DAY WORK	REMARKS
6/06/95	0 hours	Moved rig to Flader #4. Got stuck trying to back onto well.
6/12/95	0 hours	Hauled pumps and junk rack to lease. Had to winch rig back and forth to set on well. Rigged up on rods. Freed pump.
6/13/95	0 hours	Blew compressor seal. Came in.
6/14/95	0 hours	Fixed compressor. Pulled most of rods.
6/19/95	0 hours	Pulled rest of rods. Freed anchor. Pulled 110 joints 2 7/8" tubing. Ran into mud on tubing at 1500'.
6/20/95	0 hours	Pulled rest of tubing and anchor. Checked in on well to 2000'.
6/21/95	0 hours	Ran tubing back down well to cement perfs. Ran 180 joints.
6/22/95	0 hours	Ran 29 more joints tubing. Hauled a load of water. Pumped 25 sacks cement to cover perfs. Pulled 160 joints tubing.
6/23/95	0 hours	Pulled rest of tubing. Checked in on plug at perfs at 6390'. Top of plug at 6256'. Dug cellar. Rigged up jacks. Jacked casing head slips out of the head. Worked pipe to 35".

All open accounts are due by 10th of month following purchase. All amounts 30 days past due will be charged a FINANCE CHARGE at 1 1/2% per month or an ANNUAL PERCENTAGE RATE of 18%.
