Re: Carlson No. 1, Intrepid Field  
COGCC Lease No. 01698  
NW/4 Section 22, T3S, R61W  
Adams County, Colorado

Gentlemen:

The Carlson No. 1 well was shut in November 15, 1989. A six month extension of the lease was approved by the Lessor's to allow time to rework or abandon this well. On June 15, 1989 the six month extension had expired. A Sundry Notice was filed July 3, 1989 to plug and abandon this well, with approval given July 18, 1989. Please disregard the Sundry Notice.

The ownership of this well has been transferred to McCulliss Resources Company, Inc. McCulliss Resources has obtained a new lease from the Lessor's and has assumed all responsibility for this lease.

McCulliss Resources will file the Change of Operator Form 10 and meet all other requirements.

The Colton Company requests release of their Bond and responsibility from this lease. An Operators Monthly Production Report, Form 7, will be filed for August, 1989 to reflect this change.

Yours truly,

The Colton Company

Drilling and Production Manager
