#### Notice Of Intent Reclamation

The BLM received your Notice Of Intent, Reclamation on 07/26/2022.

This is to notify you that we are not approving your Notice Of Intent Reclamation for the following reason(s):

Reclaiming the road as proposed is in violation of the GJFO RMP, Transportation Plan, which specifies that it is to be reclaimed to a two-track standard for fire suppression. That is the way it was originally reclaimed in 2018, and fully reclaiming it as proposed would make it unsuitable for the required post-reclamation use in support of the fire program.

You may contact the field office if you have any questions.
