RE: Withdrawal of our Tippet 22-17 NGPA filing
Filing No. 85-817

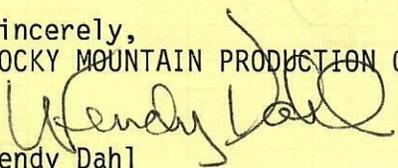

Dear Marsha:

Rocky Mountain Production Co. requests that our Tippet 22-17
NGPA filing, filing no. 85-817, be withdrawn from consideration for
103 gas pricing.

The referenced well was plugged and abandoned on February 24, 1986
(see attached plugging report). The gas was never contracted for sale
consequently, the filing can be withdrawn.

Per our phone conversation of April 7, please credit our account
for the \$50.00 filing fee. If you have any questions please contact
me at the office number listed above.

Sincerely,
ROCKY MOUNTAIN PRODUCTION CO.
