**OPERATOR COMMENT AND SUBMITTAL**

Comment: All corrective actions have been completed.

There was a comment on the inspection about a single anchor remaining on location. This is the last remaining anchor on SKR 28-2. It has not been removed as it is too close to the on location flowline to be removed at this point in time.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
