Gentlemen:

We keep a check list of Notices mailed, and, on November 18th, 1955, we mailed to your Office for approval the original and four copies of Form Ogce Form 1 "Plugging Report" covering our State Arapahoe 63 No. 1 and our Mosbarger No. 1. We immediately received back approved the four copies covering the State Arapahoe 63 No. 1, but did not receive the ones on Mosbarger No. 1.

We are wondering if you keep records and if you would be able to determine if the Mosbarger No. 1 copies have been mailed, and, if so, to whom, as we need to furnish approved copies to our Denver and Tulsa offices.

Will you please advise? Thanks.

Yours very truly,
