Comment:

The inlet to the culvert has a catch basin to trap sediment as to not fill the culvert. The water flows through it look at he outlet pictures attached to this report. As far as Lorencito Canyon goes that is an old ranch road that has been there since horse and buggy days. That is not a Wapiti Lease road. Signs have been placed at each end stating "Ranch Access Only". Please do not trespass on Vermejo Park Ranch property when traveling to the C-125 and those wells at the top of the hill. Go around on lease roads.
