<p>COGCC Inspection Report Summary                      On Thursday 8-25-2022 at approximately 1315 hrs. I, Inspector Robbie Revas,                      Conducted an on-site inspection:                      Operator: Civitas/Crestone Peak Resources                      Location name: Melbon Ranch 4F-17H-M265                      API #05-123-47756                      County: Weld                      Weather: Clear.                      Location: Dry.                      While there, I observed a Multi well Pad, PR at the time of inspection.                      During this inspection, I observed no compliance issues:                      See attached photos.                      No follow up site inspection is needed to ensure that the addressed                      Compliance issues comply with COGCC rules.</p>	revasr	08/25/2022
