General Comment:

This is a joint inspection with the CDPHE Water Quality Control Division. CDPHE conducted a construction stormwater inspection for the Noble Energy DJ Basin Core Drilling and Production Program (COR403291) and COGCC Staff participated in the inspection.

COGCC will not issue any corrective actions that would also be a corrective action for CDPHE.

COGCC Comments

Comment	User	Date
COGCC Staff, Chris Binschus, also participated in the follow-up post-inspection meeting with CDPHE and the Operator on Friday, August 12th. COGCC shared its outcome of the stormwater management practices observed throughout the ten locations.	binschusc	08/29/2022
