Dear Mr. Horton:

This is in reply to your letter of June 15, regarding a bond furnished by Nebraska Drillers, Inc. of Grand Island, Nebraska.

We note that you have been advised that the bond is no longer needed and should be cancelled. However, we have not received notice of intention to abandon the well or a copy of the log.

With a copy of this letter to the Nebraska Drillers we are forwarding to them blank forms for completion. As soon as these forms have been completed and returned to us we will be ready to release the bond.

Sincerely yours,

J. J. Zorichak
Director
