COGCC Inspection Report Summary

**Weather Conditions: sunny, dry ground

On Monday, August 29, 2022 at approximately 12:00, I, Inspector Brittani Santistevan, conducted an on-site inspection at RUMSEY 10-34 (PDC Energy), at location #: 332916 in WELD COUNTY Colorado.

While there, I observed a shut in facility.

During this inspection the following possible compliance issues were observed:

1. Weeds are inside wellhead fencing. Remove to comply with Rule 606. (Corrective Action Date: August 29, 2022) See attached photo #2.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
