**Pits:**     NO SURFACE INDICATION OF PIT

**COGCC Comments**

Comment	User	Date
Inspection due to noise complaints. Spoke with supervisor Brian Stanley he stated site had got shut in due to O2 from trucks unloading tanks. Operator purged lines to bring site on line again. ECD was ran to purge lines and did create noise in complaints. Operator is working on issue to stop issue from occurring again.	silverr	08/26/2022
