Comment:

Operator has performed final reclamation activities with the evidence of desirable species establishment. The eastern and southern location lack the establishment of desirable species and will require additional work.

Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
