Comment:

This location does not comply with Rule 1004. It appears the Operator has performed reclamation activities and removed all debris observed from the previous inspections. At the time of this inspection, it appears the field was fallow with evidence of crop stubble; weedy annual vegetation was observed throughout the reference and disturbed areas. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004. Refer to attached inspection photos.
