**General Comment:**

Operator rep. contacted COGCC N.E. Field Office ( Inps. Schure) of the mechanical equipment ( PNG Combustor) failure in operating and requesting directives. The associated wells to this facility and the facility (battery and combustor) are to be shut-in, tagged out and remain out of service until combustor is repaired and in working condition. Operator is directed to notify COGCC N.E. Field Office when the repairs are completed and a follow-up FIR will be performed to permit the wells and facility to resume operations.
