RE: Hatch #1  
SW NE 35-12N-55W  
Logan County, Colorado

Gentlemen:

Please be advised the above referenced well was filled with heavy mud and plugs set at 218 feet up with 15 sacks of cement and 10 sacks of cement set at top of surface casing down. Plugs were set March 17, 1976.

Respectfully yours,

B. W. DRILLING, INC.
