FIELD OPERATIONS NOTICE

The Form 42 shall be submitted as required by Rule, Notice to Operators, Policy, or Condition of Approval. A Form 42 Update shall be submitted to revise the scheduled date or time on a previous Form 42 - Advance Notice of Field Operations. A Form 42 Update must be for the same well, location, or facility and for the same Field Operation as a previous Form 42. NOTE: Operator's Contact for Advance Notices of Field Operations should be available 24 hours a day, 7 days a week and should have the most current scheduling information for the operation. Operator's Contact for other notices should be able to respond to questions regarding the reported information.

Update of a previous Form 42 Notice NO

FLOWLINE PRE-ABANDONMENT - 30-day notice  
On-Location Flowline will be removed on this date: 10/21/2022  
Is the estimated duration of the Flowline Abandonment operations for this Location anticipated to last for longer than one day? No If YES, describe the estimated anticipated duration of these operations:  
Flowline from well to separator (on lease) will be removed. Land owner is knowledgeable of planned operation. Request waiver to remove flowline at time plugging operations are completed during the week of October 17, 2022. If this is not acceptable, please contact me prior to October 17, 2022. Intent is to remove all underground lines including those at the separator site.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct and complete.
