**General Comment:****COGCC Inspection Report Summary**

On Thursday 9/29/22 at approximately 15:30 hours, I, Inspector Corey De Paolo,  
Conducted an on-site inspection at CAERUS PICEANCE LLC ASPEN RM-67S92W /10SENW.  
Location #324224 in Garfield County Colorado.  
While there, I observed normal production operations.  
During this inspection the following compliance issues were observed:

- 1) Undesirable plant species in tank containment with a corrective action date of 10/11/22.
- 2) Location lacks stabilization. Insufficient tracking BMP at entrance to location with a corrective action date of 10/19/22.

- Location is located in a high priority habitat area.

A follow up on this site inspection needs to be conducted to ensure the  
Compliance issues have been corrected to comply with COGCC rules.  
This is a summary of inspection report.
