Gentlemen:

On July 29, 1986 a field inspection was done on the Mathewson #1 SWNW11-9N-55W, Logan County. The well was found to be plugged but the following was found:

surface equipment-Pump jack, separator, 400 bbl tank.
three(3) evap. pits still open.
skim pit still containing oil still open, has screen cover.

This well cannot be released from any bonds until the above work site has been reclaimed. Notify myself or Dennis Bicknell of this office when the reclamation work has been completed.

Thank you for your cooperation concerning this matter.

Yours truly,

Stephan Pott
Petroleum Engineer

Re: Lease Mathewson
Field Tomahawk
County Logan
Location 9N55E11

As per your request we have replaced the current skim pit which needed repair. Therefore, the entire pit has been adequately covered as suggested. This has been done as of Oct. 15, 1984.

Sincerely,

R. Ray Schramm
