Commission

Department of Natural Resources

## Inspection Photos

Location Name: CADDIS FEDERAL-611N91W/9NWSE

Location ID: 313095

**Photo 1.** Photo taken from the Location entrance shows the access road is bare and compacted in tracks. Vehicles are utilizing the road, potentially compromising revegetation.

**Photo 2.** Photo taken to the south shows the start of the access road. Portions of the road are revegetated, however, perennial cover is not uniform. Bare ground and annual weeds are common and vehicles are utilizing the road causing compaction and potentially compromising revegetation.
