RE: COGCC Rule 408.u.(1): Statewide Setback for Hydraulic Fracturing Treatment
Shelton 25W-25-05
NESE, Section 25, Township 4 North, Range 65 West
Weld County Colorado

Dear Operator,

Crestone Peak Resources Operating, LLC. (Crestone) intends to apply to the Colorado Oil and Gas Conversation Commission ("COGCC") to drill and operate the above referenced well. Pursuant to the following COGCC Rule 408.u.(1) Statewide Setback for Hydraulic Fracturing Treatment:

- (1) No portion of a proposed wellbore that will be treated by hydraulic fracturing may be located within 150 feet of an existing (producing, shut-in, or temporarily abandoned) or permitted interval of an oil and gas wellbore that has been or will be treated by hydraulic fracturing belonging to another Operator without the signed written consent of the Operator of the encroached upon wellbore. The Operator will attach any signed written consents to the Form 2 for the proposed wellbore.*
- (2) The Operator will measure the distance between the proposed and offset wellbores using the directional survey for drilled wellbores and the deviated drilling plan for permitted wellbores, or as otherwise reflected in the Commission's Well records. The Operator will measure the distance from the perforation or mechanical isolation device.*

As currently planned, the proposed treated interval of the aforementioned subject horizontal well will lie within 150 feet of the treated interval of the following wells belonging to Noble Energy, Inc.:

SHELTON #18-25XX, API #05-123-22169-00, located in the CNW of Section 25-T4N-R65W,
Closest distance: 100'

SHELTON #18-25XX, API #05-123-22169-02, located in the CNW of Section 25-T4N-R65W,
Closest distance: 112'

ARENS G #26-19, API #05-123-30608, located in the SWNW of Section 26-T4N-R65W,
Closest distance: 84'

Crestone Peak Resources Operating LLC

Please see enclosed the Well Location Plat and Anti-Collision Report detailing the planned wellbore. Should you find the stimulation of the proposed wellbore acceptable, please indicate so by signing the below section and returning the signed letter via email to jannable@civiresources.com. Please contact the undersigned with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeff Annable".
