General Comment:

On 10/10/2022, Reclamation Specialist O'Malley conducted an interim reclamation and stormwater inspection at TEP Rocky Mountain LLC's GGU FED (MDP PAD #2)/11A-33-691 Location #414794 in Garfield County, Colorado.

The following compliance issues were observed during this inspection:

- Noxious weeds

Refer to the "Location," "Reclamation" and "Stormwater" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment
 Areas of the location not needed for production, or no longer in use have been reduced and reclaimed. Interim areas are vegetated with perennial grasses. Original cut slopes on the east end of the Location remain evident; additional contouring efforts will necessary to address cuts slopes of the Location during final reclamation. Desirable perennial vegetative establishment progressing towards 1003 standards on remaining interim areas. Revegetation is in process.

 Refer to the "Location" section of this inspection report for weed control corrective action.
