Comment:

Operator performed the pervious corrective action. Refer to the attached inspection photo.

COGCC Staff, Chris Binschus, communicated to both the complainant and Operator on July 15, 2022 the following: Even though there were some disturbances from the complainant/neighbors within the area needing to be reclaimed, PDC has agreed to work with the complainant to perform further reclamation. If the complainant/neighbors disturb any portion of the reclamation area after PDC performs reclamation and before it meets Rule 1004 vegetation standards, it is no longer the responsibility of the Operator to reclaim.

Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards.
