Dear Sir / Madame:

Enclosed please find the following on the referenced well:

- 1) Form 2
- 2) Form 4 - (Cement Verification Report attached)
- 3) Form 5 - (Logs and Core Analysis included)

This well was drilled due to abandoning our Jackson #28-9 which had a hole in the surface casing. You were furnished a Sundry Notice explaining the situation. We are not sending a filing fee for this well since we paid the fee on the Jackson #28-9.
