Timothy

It appears what was sent over last week for three of the wells attached were just the sundry and the FAN was not included. Can you provide the FAN notice so I can submit it to COGCC?

Erin,

To clarify, the two sundries I returned to draft only had a memo between BLM staff, and not a Federal Sundry (see attached example).

I accepted the other three Form 4s you provided, which I believe you are using as an example to Mr. Barrett, which did include the signed sundry from the BLM.

Thank you for the clarification Aaron and good catch!

Timothy, It looks like just these two final reclaim letters for Federal 5-32-1-1 and Fed Gov 2-6 require the FAN notices. Do you have copies of these? Sorry for the confusion!

The Sundry Notice was the only documentation in the well file for each of those. Notations on the Sundry show that the office staff that was working at that time recommended Approval of the Sundry Notice. We, the BLM-CO-WRFO, are accepting that as documentation that the site Final Abandonment work was approved and that location has been released.

Thank you Mr. Barrett.

Erin, I will accept this email as confirmation that the sites have met Federal reclamation obligations.

Please re-submit the COGCC Form 4s with this updated information and I will resolve the matter on our end.
