<p>COGCC Inspection Report Summary On Thursday 11/17/2022 at approximately 12:05 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the KPK Lorenz 1-D API #123-11329 in Weld County, Colorado. While there, I observed that the wellhead sign had faded and was illegible. During this inspection the following possible compliance issues were observed: Rule 605.d. with a corrective action date of 2/24/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	11/17/2022
