Comment:

Appears the Operator has performed final reclamation activities with no evidence of oil and gas activities observed. A vegetation assessment will need to be conducted at a later date to ensure compliance with Rule 1004. Operator shall continue to monitor and manage this site until the location meets Rule 1004 standards, including stormwater and weed management. Operator shall submit a Form 4 Final Reclamation Complete notice when the location meets Rule 1004 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1004.
