**Subject:** Florida River Gas Plant release notification

Gentlemen,

I was called to the Simcoe, LLC Florida River Facility this afternoon for a water release outside of secondary containment. The measurement calculation resulted in an estimate of 105 bbls of water from a dehy tank. All fluids remained on location. Upon discovery the release was immediately stopped. A couple of the puddles had a sheen on the standing water. Water recovery efforts are in progress.

Florida River Gas Plant Facility ID 120172

37.155999, -107.779437

Surface owner is Simcoe, LLC

This facility is contained within a secure fence so if you go to inspect please check in at the office and they will escort you around.

Please let me know if you have additional questions. I will put a eForm 19 in tomorrow. Thank you and Happy Thanksgiving.
