RE: Lease: Sellmar Rico #1
Lonetree Field
SE SW Sec. 32-2S-59W

Sirs,

We performed the following work on the above lease. This letter should be attached to a Form 4, and forwarded to the Colorado Oil and Gas Commission.

Pumped 50 sacks of cement from 140' to the surface.
Cut the wellhead off 4' below surface, welded a plate. ✓

All cement was 50/50 poz, yield is 1.26 cu. ft./sack, weight is 14.1 ppg.

Sincerely,

Frank Hutto
