<p>COGCC Inspection Report Summary                      On Monday December 19, 2022 at approximately 1:45PM, I, Inspector Randy Silver, conducted an on-site re-inspection Per Doc # 707900067 .                      Location: Conoco Fee 66#492                      Operator: Javernick Oil                      API#:043-40033                      County: Freemont                      While there, I observed a producing in well and Tank Battery                      During this inspection the following possible compliance issues were observed:                      Weeds/debris: Rule 606 Corrective action date of 11-13-22 see photos                      This is a follow up inspection. At time of inspection it does not appear corrective action has been addressed.                      Weather conditions: Clear                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of inspection report.</p>	silverr	12/19/2022
