RE: Failure to Respond to Requests for Information  
#13-28 Price 28-3S-59W Permit # 87-343

Dear Mr. Carroll:

On October 22, 1987, you were notified by Certified Letter # P 718 577 121 to submit the required information on this well. We received a xerox copy of the logs on 11/27/87 and Mr. Winkler called both on 10/28/87 and 11/19/87 stating he would send the Cement Verification (Third Party Invoice or Job Ticket showing depth and volume of cement plugs). It has been a year now and we have not received this report which was due 7/29/87, thirty days after plugging. This report is essential and the file can not be closed until it is received.

Our only interest is in obtaining the information required by the State of Colorado's Rules and Regulations of the Commission. We have been more than patient while repeatedly requesting information that most operators send in routinely. It consumes a lot of our time unnecessarily when a company fails to submit routine paperwork or to respond to our requests in a timely manner.

We look forward to receiving the above requested information no later than December 21, 1988 in order to avoid further action under Section 34-60-121. This matter will be forwarded to the Director recommending a Commission Hearing in February, 1989 if you fail to comply with this our third and final request for compliance.

Very truly yours,

Dave Edwards
