All,

[Here is an update on this transfer.](#)

**Both operators have agreed that these incidents will be transferred. They have been uploaded to the Form 9 as Related Incidents – Transferred.** It was brought to my attention that there are additional Unresolved Incidents that relate to this transfer. The complete list is attached. As is the case with the two previously mentioned incidents in Issue #3, The corrective actions may or may not have been resolved. FIRs with outstanding corrective actions are transferable items that must be accounted for in the Form 9 in one or more of the following ways.
