COLO. OIL & GAS CONS. COMM

With reference to Articles 17 and 18 of Form 102-C, please find attached the pressure surveys and the geological report for the #12-26 L & L Land Company. Please note that the conclusions drawn from the geological report emphasize that this well is the only producing gas well in the immediate area producing from the "J" Sandstone.

*Well No. 12-26 L & L Land Co.
