Good afternoon, Kevin,

The Koch Tank Battery (Spill ID 483548) Form 19is (Doc #403249675) has been conditionally approved; However, closure of the Form 19 has been denied as the form did not meet reporting requirements. A Supplemental Form 19 addressing the COAs applied to Doc #403249675 is due by EOD January 7th, 2023.

Let me know if you have any questions.

All the best,
