Mr. M. R. Voltz  
1923 North Nevada  
Colorado Springs, Colorado

Dear Mr. Voltz:

A review of our file indicates that subsequent to the filing of Notice of Intention to Drill your Robert L. Christian #1, SW $\frac{1}{4}$  12-16S-66W, El Paso County, Colorado, no further reports have been received.

In a separate package we are sending you some forms, OGCC-1 (Notices for various purposes) and OGCC-2 (Log forms). If the well has been completed we would appreciate receiving reports on the present status. If it is a productive well it should be so indicated on the log, and if it was a dry hole and abandoned, a notice of intention to abandon should have been submitted.

We are also sending you a copy of our Rules and Regulations, for your review and guidance.

Sincerely yours,

Director.

cc Mr. L. J. Goldstein: On reviewing the file we note that we have no log on the well in the SW 12-16 S-66W, concerning which you inquired August 20.
