Dear Mr. Goldstein:

Reference is made to the M. R. Voltz-R. L. Christian well in Section 12, Township 16 South, Range 66 West, which I visited with you last August. As you will remember, you were to fill in the hole and notify us so that the bonding company could be contacted and the bond released.

Please be advised that the bonding company has again contacted us in this regard.

We will appreciate your giving your immediate attention to this situation.

Yours very truly,
